AGF Manufacturing Inc. is proud to certify that all AGF TESTANDRAIN, INSPECTORSTEST, and RISERPACK products are compliant with current Build America, Buy America Act, Pub. L. No. 117-58 §§ 70901-52 requirements.

AGF Manufacturing Inc. is a Pennsylvania based corporation headquartered in suburban Philadelphia, employing U.S. national personnel. AGF Manufacturing Inc., despite being faced with the same challenges as other international companies, is committed to utilizing domestic raw materials and sourcing domestically manufactured components for our innovative fire sprinkler industry products. In addition to all AGF TESTANDRAIN valves, AGF pressure relief valves, INSPECTORSTEST valves, and RISERPACK manifolds being cast or fabricated, machined, and assembled in the United States we also offer BABAA compliant versions of our Ultimate RISERPACK assemblies, PURGENVENT automatic air vent valves, CORRINSITE corrosion monitors, and COLLECTANDRAIN auxiliary drains for dry systems.

AGF Manufacturing Inc. since its inception has been involved in the manufacturing of American Made valves and devices, specifically for fire sprinkler systems. AGF Manufacturing's mission is the manufacturing, distribution, and sales of our product line, which is produced in state-of-the-art facilities located in the United States.

If you have any questions regarding any of the products manufactured and sold by AGF Manufacturing Inc. please consult our website at www.agfmfg.com or call our Malvern, PA offices at (610) 240-4900. If you are interested in further information on the federal guidelines developed under the "BABAA" provisions, please consult Rules and Regulations by The Office of Management and Budget. We appreciate your continued support of our products.
